

Yashank D

Frontend Developer (React & Next.js)

Bengaluru, India | Open to Remote

+91 7899861968 | [Portfolio](#) | [LinkedIn](#) | [GitHub](#) | yashank.design@gmail.com

Summary

Frontend Developer with hands-on experience building modern, responsive web applications using React, Next.js, TypeScript, and Tailwind CSS. Built and deployed a real-world full stack product focused on clean UI, performance, and usability. Previously worked at TCS in an enterprise financial domain, collaborating with cross-functional Agile teams and contributing to CI/CD-driven delivery. Strong debugging mindset and product-oriented approach. Available to join immediately.

TECHNICAL SKILLS

- **Frontend:** React.js, Next.js, TypeScript, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS
- **Backend & Database:** Prisma, Supabase, REST APIs, JSON
- **Tools & Methods:** Git, GitHub, Bitbucket, CI/CD, Agile/Scrum, VS Code
- **Core strengths:** UI polish, responsive design, debugging, problem solving, performance awareness

PROFESSIONAL EXPERIENCE

Test Automation Engineer

Tata Consultancy Services (Client: London Stock Exchange Group)

Dec 2021 – Sep 2024 | Bengaluru

- Worked on financial market products for the London Stock Exchange Group, contributing to mission-critical system reliability.
- Part of an Agile, cross-functional team collaborating closely with developers and product owners.
- Contributed to migration from UFT to a Java-based cross-functional automation framework.
- Supported and validated CI/CD pipelines enabling stable releases.
- Used Git (Bitbucket) for version control and collaborative workflows.
- Gained a strong understanding of system architecture, data flows, and business logic.

PROJECTS

FocusFlow

Full Stack Project Management & Invoicing Platform | <https://focusflowproject.vercel.app>

Tech Stack: Next.js, React, TypeScript, Tailwind CSS, Prisma, Supabase, NextAuth, Vercel

- Designed and built a **production-ready web application** to manage clients, projects, and invoices.
- Developed a **clean, responsive UI** using reusable React components and modern layout practices.
- Implemented secure authentication and protected routes using **NextAuth**.
- Built type-safe backend logic with Prisma and PostgreSQL, ensuring reliable data handling.
- Integrated REST APIs and managed complex relational data.
- Focused on performance, usability, and maintainable code structure.

CAREER BREAK

September 2024 – Present

Took a short, planned career break to handle personal responsibilities and focus on upskilling. During this period, built and deployed FocusFlow and strengthened skills in modern frontend development. Now fully available and actively seeking frontend opportunities.

Education

Bachelor of Engineering, Mechanical Engineering | East West Institute of Technology, Bengaluru
(2017 - 2021)
